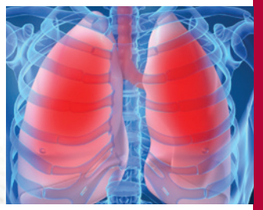
Respiratory Essentials

Supporting the respiratory system is crucial for maintaining good health over winter. MediHerb has a range of respiratory essentials to provide targeted support for various aspects of respiratory health.



Euphrasia Complex

- Euphrasia Complex contains the herbs Eyebright, Golden Rod, *Echinacea purpurea* root, Golden Seal and Cayenne
- This formulation may help support healthy mucous membranes particularly of the nose and sinus and assist in maintaining healthy breathing passages for free and clear breathing
- Designed specifically to support the health of the nasal passages particularly when challenged by occasional, seasonal stresses*

M1250	30 Tablets

Broncafect®

- A respiratory essential, Broncafect combines the herbs Licorice, Pleurisy root, Echinacea, White Horehound, Ginger and Thyme in both tablet and liquid form
- Provides ideal short-term support to enhance immune system and respiratory tract function
- Supports the body's normal cough reflex and maintains healthy mucosal tissue
- Encourages a healthy environment to help maintain normal respiratory flora*

M1165	40 Tablets
M4410	200 mL

ResCo®

- Combines quality herbs and essential oils to offer long-term respiratory system support
- Encourages healthy mucous membranes and respiratory function by assisting normal secretion removal from the respiratory system
- Maintains healthy airway passages and supports the body's normal cough reflex
- Available in both tablet and liquid form*

M1390	40 Tablets
M4490	200 mL

PulmaCo

- PulmaCo supports healthy respiratory tract function with the combination of Chinese Skullcap, Malabar Nut Tree leaf, Grindelia, Turmeric, Ginkgo leaf and Fennel
- This unique herbal formulation is designed to support free and clear breathing
- Assists the body's natural ability to break up and expel respiratory secretions and maintain healthy breathing passages*

Winter Essentials

Winter Essentials

Winter is often a challenging time for your patients' immune and respiratory systems. Protect their health with our comprehensive range of essential winter products. These products, formulated by Associate Professor Kerry Bone, combine the best of traditional herbal use, clinical experience and credible scientific research to bring you health solutions that work.

Core Winter Essentials

Herbal Throat Spray Phytosynergist®

Herbal Throat Spray is a pleasant tasting, soothing spray for use when the throat is dry or under stress. The convenient size is ideal to take with you to the office, in the car or for use at home for soothing immune support at the first sign of a tickle in the throat. The herbs *Echinacea angustifolia* root, Marshmallow root, Sage, Calendula, Myrrh and Clove bud essential oil are combined in this supportive formula.

- Promotes healthy throat tissue and provides localized immune support for the mouth and throat
- Maintains healthy mucosal tissue in the upper respiratory and upper gastrointestinal tracts
- Supports oral health and freshens the breath*

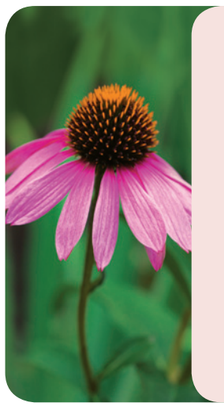
M4465	25 mL

Andrographis Complex

Andrographis Complex is the ideal short-term support for the immune and respiratory systems, especially when the immune system is under stress. This powerful immune support formula combines Andrographis herb, *Echinacea angustifolia* root and Holy Basil herb and essential oil. Each tablet contains 10 mg of andrographolide to ensure optimal strength and quality.

- Contains the important alkylamides, from *Echinacea angustifolia* root, which research has shown are beneficial in supporting the immune system
- Enhances immune system function and supports healthy immune response following stress, sudden changes in weather or temperature
- Supports and maintains normal body temperature within a normal range*

M1110	40 Tablets
M1115	120 Tablets



Echinacea Premium

Taken every day, Echinacea Premium offers superior long-term immune system support. MediHerb has developed specialized knowledge in the manufacture and testing of Echinacea products including a $1.5 million research project and successful clinical trial data.

M1240	40 Tablets	M6930	200 mL
M1245	120 Tablets	M6935	500 mL

- Combines the roots of *Echinacea angustifolia* and *Echinacea purpurea* (patent pending)
- MediHerb guarantees a minimum of 4.1 mg of alkylamides in every tablet and a minimum of 1.5 mg of alkylamides in each 1 mL of Echinacea Premium 1:2 extract
- The synergistic blend of alkylamides in Echinacea Premium potentiate each other for greater therapeutic effect
- Maintains immune system function
- Supports healthy immune response*

MEDI HERB

Immune Support Essentials

To stay healthy and vital through the winter months, it is important to support and strengthen our body's natural defense mechanism, the immune system. When the immune system is strong, the body is better able to handle stress, changes in weather or temperature or simply the pressures of everyday life. Associate Professor Kerry Bone specializes in immune health and has developed a range of products to target various aspects of immune system health.

Ganoderma & Shiitake

- Well known for their immune enhancing effects, Ganoderma (Reishi) and Shiitake mushrooms are combined in this tablet formula to help promote the body's normal resistance function
- Ideal for long-term immune support, Ganoderma and Shiitake may help stimulate a healthy immune and adaptive response to occasional everyday stress, while also promoting vitality
- Each tablet contains 6.6 g of Ganoderma and 800 mg of Shiitake to ensure optimal strength*

M1280	40 Tablets

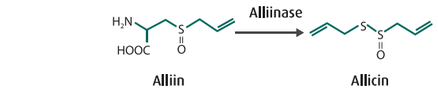
Garlic Forte

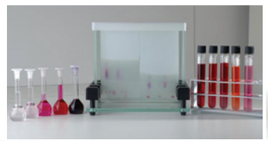
- Garlic Forte supports the immune and respiratory systems while also promoting health in the gastrointestinal tract and cardiovascular system
- MediHerb Garlic Forte tablets are uniquely formulated to mimic fresh Garlic
- We ensure each Garlic tablet contains 12 mg of alliin for optimal strength and quality
- Our Garlic tablets are enterically coated to protect the delicate enzyme alliinase. This ensures that it is delivered to the small intestine intact where the conversion from alliin to the active compound allicin takes place*

M1285	40 Tablets

Golden Seal 500mg

- Helps maintain healthy mucous membranes and healthy breathing passages to support free and clear breathing
- Encourages healthy mucus function, stimulates digestion and cleanses the gastrointestinal tract
- MediHerb only uses cultivated sources of Golden Seal to ensure the sustainability of this endangered herb*

M1310	40 Tablets




Formation of Allicin from Alliin
